**Volume 1 Issue 1**  
**January 2009**

### **Did you know . . .**

We offer much more than tank heads. We provide many other tank components, including dimpled jackets, cylinders, manways, half-pipe coil, flanged cones and a variety of other products to meet your needs.

### **Featured Product - "Dimpled Jacket in STOCK"**

**48" X 120" sheets, 14 gauge, T-304, 2" X 2" square pitch spacing for immediate shipment. Sheets are flat without crimped edges and can be shipped within 24 hours. For E.T.O. (engineered to order) dimple please contact your Sales Engineer for sales assistance.**

### **Component Products history . . .**

Over the last 60 years, Component Products has evolved to become one of the leading suppliers of tank components in North America. Mueller is unique in its capabilities with the ability to offer all of the "pieces and parts" to make a tank.

Our sales staff has the technical expertise to aid the customer through design, estimation and logistics of the project.

This broad spectrum of product offerings and technical knowledge provides our customers with a single source solution to meet their fabrication needs. We offer the complete package.
